

Merci

Song by Richard Koechli (Album „Parcours“)

English Translation:

It must be said
I wasn't the easiest
A dreamer, not very diligent
Often nervous, sometimes rather cheeky
None of us wanted to be a nerd,
wanted to lose face in front of comrades

Oh God, we were a wild gang ...

But you have done it
I wonder how - wonder why
You gave us everything, every day, every hour
You have never complained
You must have had your dreams, too,
and maybe even bury them for us

Merci, you were formidable teachers
I say Merci, you were wonderful teachers

I couldn't think today, I couldn't write
I couldn't sing without you, I couldn't be free
It must have been tough sometimes
But it was good, I have received so much from you

I know it's a little late, I'm sorry
I hope you can still hear me
Merci; you were wonderful teachers
I say Merci; you were formidable teachers
Everything was fine
Merci!
I hope you can still hear me ...
